**RUTLAND TOWN SELECT BOARD**  
**TRANSFER STATION COMMITTEE MEETING**  
**WEDNESDAY NOVEMBER 11<sup>th</sup>, 2020**

The Transfer Station Committee of the Rutland Town Select Board met at 2:00 PM on Wednesday November 11<sup>th</sup> at the Municipal Transfer Station in Northwood Park. Present was Board Member John Paul Faignant, Board Member Joseph Denardo, Transfer Station Manager Larry Dellveneri and Transfer Station Attendant Bill Bauer

The committee discussed the draft budget proposal from the Fire Chiefs.

1. The budget draft was largely the same as last year.
  - a. A new line is proposed to be added to fund the cost of food scrap removal specifically.
  - b. A line for utilities was added.
2. The trash compactor containers were discussed. They were both purchased at the same time. One is damaged, due to age, and needs to be replaced. The associated costs were discussed but a final number was not determined. This will be discussed again at a future meeting, but it will need to be replaced soon.

There being no other business the meeting adjourned at 2:30 PM.

Respectfully submitted, Bill Sweet
