Part 1
Parking Regulations
[Adopted 10-3-1977]
ARTICLE 1
General Parking Provisions

§ 198-1. Purpose.

After due consideration, based upon studies, surveys and investigations, as aforesaid, the Selectmen of the Town of Rutland in session hereby declare, determine, and fix the parking for motor vehicles on all town roads and highways within the limits of said town as follows.

§ 198-2. Parking on traveled / paved portion of road prohibited, exception.

- A. No person owning or controlling a motor vehicle shall park, or cause to be parked, said motor vehicle on the traveled / paved portion of any street, town road or highway within the limits of the Town of Rutland at any time,

- B. Excepting here from, however, all motor vehicles owned, operated or controlled by persons attending the critically ill on emergency calls and motor vehicles of persons attending church services shall be exempted.

§ 198-3. Removal; payment of charges.

Motor vehicles parked or standing on the streets or traveled / paved portions of highways may be removed or cause to be removed from the street, town road or highway by an official of said town or its agents to a place of storage. No person shall remove any vehicle from such place of storage without first having paid all towing and storage charges hereinafter defined.

§ 198-4. Charges and fees; lien against automobile.

The owner of any automobile removed to a place of storage in accordance with this article shall pay to the Treasurer of the Town of Rutland prior to removing said automobile a towage charge of \$35 and storage charges at the rate of \$3 per day. A lien in favor of the Town of Rutland is hereby imposed against any such automobile for the collection of any sums due for towage and storage.

§ 198-5. Liability and Indemnification.

Officers and town officials shall be exempt from damages incurred to motor vehicles removed under this section, and those persons other than town officers shall be insured and are deemed to be self-insured for liability for any damages incurred to motor vehicles which are removed under this article.

§ 198-6. When effective; erection of signs.

The aforesaid parking regulations and limits shall prevail at all times on and after the effective date of this article and ordinance (unless otherwise changed or amended by legal means) and when proper signs are erected giving motorists and other users of said highways warning and notice thereof.

§ 198-7. Effective date.

This regulation and ordinance shall take effect on December 5, 1977.

ARTICLE II
Parking Prohibitions [Added 4-24-1989]

§ 198-8. Definitions.

As used in this article, the following terms shall have the meanings indicated:

PARK or PARKING — The stopping or standing of a motor vehicle, whether occupied or unoccupied, attended, or unattended, otherwise than temporarily for the purpose of and while actually engaged in loading or unloading passengers or goods, or in obedience to police officers or traffic regulations, signs or signals, or while making emergency repairs if disabled, while arrangements are being made to move such vehicle.

§ 198-9. Stopping prohibited in specified places at all times.

No operator or driver of any motor vehicle shall park the same in any of the following places, except when necessary to avoid conflict with other traffic or in compliance with the direction of a police officer or official traffic sign:

- A. Within 15 feet of an intersection;
- B. Five feet from a cross walk unless specifically designated for parking;
- C. Within 10 feet of a hydrant, unless specifically designated for parking;
- D. In front of a driveway;
- E. On any sidewalk;
- F. Abreast of another vehicle in any street;
- G. Alongside or opposite any street excavation or obstruction when such stopping, standing, or parking would obstruct traffic.

§ 198-10. All-night parking; towing.

It shall be unlawful for the operator of any motor vehicle to park a motor vehicle anywhere else on a highway or parking lot of the Town of Rutland between the hours of 12:00 midnight and 6:00 a.m., from November 1 until April 1, except where specifically permitted and appropriately signed. A motor vehicle parked in violation of this town ordinance may be towed away by order of the police of said Town of Rutland.

§ 198-11. Double parking.

Double parking on any street is prohibited at all times.

§ 198-12. Parking of vehicles for sale.

It shall be unlawful for any person to park upon a street any vehicle displayed for sale.

§ 198-13. Repairing of vehicles in

It shall be unlawful for any person or garage, repair or automobile service business to park any motor vehicle in a street or highway for the purpose of assembling, dismantling or repairing any vehicle.

§ 198-14. Operation in loading zone

No operator of a noncommercial motor vehicle shall park in an area designed as a loading zone. Commercial operators may use this area for loading and unloading of merchandise only. No commercial vehicle shall be permitted to park more than 30 minutes or overnight in said area.

§ 198-15. Designation of loading zones.

Loading zones signs shall be erected in the following areas:

Name of Street	Side	Location
		(Reserved)

§ 198-16. Police, volunteer, and emergency vehicles exempted.

Police, volunteer, and other emergency vehicles shall be exempt from the provisions of this article.

§ 198-17. Violations and penalties.

A person who violates any provision of this article shall be fined not more than \$100. A separate violation shall occur for each period of parking greater than the parking time allowed in a zone.

§ 198-18. Removal of unauthorized vehicles; towing; charges; lien.

Enforcement officers may cause any motor vehicle parking in violation of this article, or parked on privately owned land without authorization, including by illustration and not limitation private parking lots, drives and ways, to be removed at the expense of the owner of the vehicle. The owner of the motor vehicle shall pay to the town the reasonable cost of towing as determined by the Selectmen and the cost of storage charges not to exceed \$2 per day. The town shall have a lien upon the motor vehicles so removed until such towing and storage charges are paid in full, which lien shall be in addition to any criminal penalty imposed by this article.

§ 198-19. Emergency declarations.

In an emergency Selectmen may impose a parking ban on designated streets or may waive the prohibition of parking on a designated street, for a period of time not to exceed one week.

§ 198-20. Effective date.

This article shall become effective on June 24, 1989.

Part 2
Yield Signs
[Adopted 3-20-1995]
ARTICLE III
Yield Sign Regulations

§ 198-21. Authority and purpose.

Pursuant to 23 V.S.A. § 1008, the following special regulations are adopted by the Town of Rutland to regulate the operation and use of motor vehicles at intersections controlled by yield right-of-way signs (hereinafter "yield" signs) within the limits of the Town of Rutland.

§ 198-22. Definitions.

Unless context otherwise requires in statutes relating to motor vehicles and the enforcement of law regulating vehicles, the terms used in these special regulations shall be defined as provided by 23 V.S.A. § 4.

§ 198-23. Operation at intersection controlled by yield sign.

- A. Except when directed to proceed by an enforcement officer or traffic-control signal, every driver of a vehicle approaching a yield intersection indicated by a yield sign shall, in obedience to such sign, slow down to a speed reasonable for the existing conditions and, if required for safety to stop, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection, or, if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway.
- B. After slowing or stopping, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection; provided, however, that if such a driver is involved in a collision with a vehicle in the intersection, after driving past a yield sign without stopping, such collision shall be deemed prima facie evidence of his or her failure to yield right-of-way.

§ 198-24. Designation of intersections controlled by yield signs.

Yield signs shall be erected on the following streets for the regulation of traffic at the following intersections:

Name of Street	Direction of Travel	At Intersection of
Blueberry Lane	South	Chittenden Road
Blueberry Lane	South	Prospect Hill Road
East Proctor Road [Amended 8-12-2003]	South	Grand Ledge Estates
Karen Drive	North	Connor Drive
Karen Drive	South	Connor Drive
Nancy Lane	East	Susan Lane
Sunset Lane	East	Victoria Drive
US Route 7 South	South	Middle Road

§ 198-25. Enforcement; violations and penalties.

- A. A violation of a special regulation regarding yield signs shall constitute a "traffic violation" as defined in 23 V.S.A. § 2302
- B. A violation of a special regulation regarding yield signs shall constitute a violation of 23 V.S.A. § 1008.
- C. A violation of a special regulation regarding yield signs shall be enforced in the Vermont Traffic and Municipal Ordinance Bureau pursuant to Chapter 24 of Title 23.
- D. A person who violates a special regulation regarding yield signs shall be fined \$50.
- E. Upon conviction, points for the violation of 23 V.S.A. § 1008 shall be assessed against the violator's license to operate a motor vehicle as required by 23 V.S.A. § 2502, and the violator's license to operate a motor vehicle may be suspended pursuant to 23 V.S.A. §§ 2505 and 2506.

§ 198-26. Operation of emergency vehicles.

- A. These special regulations regarding yield signs shall not apply to the driver of an authorized emergency vehicle as defined in 23 V.S.A. 4(1) where:
 - 1. The vehicle is operated by or under the direction of an on-duty law enforcement officer in the performance of his or her duty.
 - 2. A Fire Department vehicle is travelling to, but not returning from, a fire alarm; or
 - 3. A public or private ambulance is travelling on, but not returning from, an emergency call.
- B. The foregoing exemptions shall relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons.
- C. The foregoing exemptions granted to the driver of an authorized emergency vehicle shall apply only when the vehicle is making use of audible or visual signals meeting the requirements of Title 23 of the Vermont Statutes Annotated.

§ 198-27. Severability.

The provisions of these special regulations regarding yield signs are severable. If any provision of these special regulations or their application to any person or circumstances or within any part of the town is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the invalidity shall not apply to any other portion of these special regulations which can be given effect without the invalid provision or application thereof.

§ 198-28. When effective.

These special regulations shall become effective as of the date of adoption by the Board of Selectmen.

Part 3
Stop Signs
[Adopted 2-21-1995]
ARTICLE IV
Stop Sign Regulations

§ 198-29. Authority and purpose.

Pursuant to 23 V.S.A. § 1008, the following special regulations are adopted by the Town of Rutland to regulate the operation and use of motor vehicles at intersections controlled by stop signs within the limits of the Town of Rutland.

§ 198-30. Definitions.

Unless context otherwise requires in statutes relating to motor vehicles and the enforcement of law regulating vehicles, the terms used in these special regulations shall be defined as provided by 23 V.S.A. § 4.

§ 198-31. Operation at intersection controlled by stop sign.

Except when directed to proceed by an enforcement officer or traffic-control signal, every driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then at the point nearest the intersecting roadway where the driver has view of approaching traffic on the intersecting roadway before entering the intersection. After having stopped, the driver shall yield the right-of-way to any vehicle which has entered the intersection from another highway, or which is approaching so closely on said highway as to constitute an immediate hazard during the time when such driver is moving across or within the intersection.

§ 198-32. Designation of intersections controlled by stop signs.

Stop signs shall be erected on the following streets for the regulation of traffic at the following intersections:

§ 198-39. Signs.

Signs indicating the speed limits provided for in this Part 4 shall be posted conspicuously within the highway limits at the point where such speed limits become effective under this Part 4.

§ 198-40. Emergency vehicles.

The speed limitations set forth in this Part 4 shall not apply to vehicles when operated with due care for safety under the direction of law enforcement officers in the performance of their duties, nor to public or private ambulances when travelling in emergencies.

§ 198-41. Violations and penalties.

A person who violates any provision of this Part 4 shall be fined not more than \$100. In addition, the operator's license of any violator may be suspended pursuant to 23 V.S.A. § 2505-2506.

§ 198-42. Repeal of prior speeding regulations.

Any other speeding regulations in the •Town of Rutland which are applicable to the aforementioned highways and streets are repealed as of the effective date of this Part 4. However, any violation which occurred prior to the effective date of this Part 4 may be prosecuted under the provisions of any applicable prior ordinance, as though such earlier ordinance had not been repealed.

§ 198-43. Severability.

If any part of this Part 4 is held to be invalid by a court of competent jurisdiction, the remaining part shall be severable and shall continue in force and effect.
