

Rutland Town Recreation Participation Policy: Non-residents must have permission before registering. Please contact Mike Rowe, Rutland Town Recreation Director (email or call 802-779-2518) for permission to play for Rutland Town. The agreement between towns and schools is the following for participation in recreation programs:

- 1) If your school offers the program then you must play for your school.
- 2) If your school does not offer the program you then play for your town.
- 3) If your town does not offer the program you may ask to join another town's program provided they have room, and you have permission from both program directors.
