TOWN NEWS

By Mary Ashcroft,
Select Board Chair

Thank you, Rutland Town voters, for approving our town's General, Police, Highway, Fire and Recreation budgets for FY 2024-25. Your Select Board is very grateful for this showing of support for our town employees and department heads.

Congratulations to Select Board members Matt Getty and Kurt Hathaway who each won reelection to the Board. At the first meeting of the Select Board following Town Meeting, the board reorganized itself, returning myself as chair and Joe Denardo as clerk. Because much of our business is done in committee, the board also reviewed and confirmed the following committee assignments: **Public Works** (combining Highway with Water & Sewer committees): Joe Denardo and Kurt Hathaway. **Fire**: Sharon Russell and myself. **Recreation**: Sharon Russell and Matt Getty. **Police**: Mary Ashcroft and Matt Getty. **Transfer Station**: Kurt Hathaway and Joe Denardo. **Inter-Municipal**: Mary Ashcroft and Joe Denardo. **Building and Technology**: Kurth Hathaway and Joe Denardo. **Scholarship**: Sharon Russell and Matt Getty. **Finance and Personnel**: Matt Getty and myself. **Town Events and Celebration**: Sharon Russell and Kurt Hathaway. **Energy**: Mary Ashcroft, Joe Denardo, Barbara Pulling, Sherman Hunter and Norman Cohen. **Public Safety Building**: Full Select Board with Clerk of the Works JP Faignant.

RTS UPDATE

From Principal Sarah Tetzlaff

Unfortunately, the Rutland Town School budget proposal and the bond did not pass in the recent vote. While this outcome is disappointing, I want to thank everyone that came out to vote and am hopeful for our next vote on Tuesday, April 30th!

We are looking forward to a fun and healthy spring! Pre-K registration took place in February and Kindergarten registration will be taking place in June. We already have 43 Kindergarten students on our list for next school year!

From the Rutland Town School Board

By Tina Keshava
School Board Chair

As many of you know by now, our budget did not pass on Town Meeting Day, nor did the bond for our second floor. Since the voting results were announced, the board has been busy meeting with residents to get a sense of why the budget did not pass, as well as what changes to make before we try again.

One of the main themes we heard was that we need to do a better job getting information out to voters. In response, we will start announcing meetings on Front Porch Forum, in addition to our school's webpage (rts.grcsu.org), the Town Hall office, the Rutland Town School front office, and the GRCSU central office (now located next to Price Chopper in West Rutland). We also plan to put more information at the town transfer station in Northwood Park.

Barks and Ballots

Rutland Town voters approved our proposed departmental budgets for the '24-'25 fiscal year at this year's Town Meeting. We would all like to extend our gratitude for allowing us to continue to serve you.

At the same time, the school budget and proposed bond did not pass. Due to this, we will be conducting another election to vote again, this time, solely on the school budget.

Much like the vote for the Town's Public Safety Building, the vote on the school budget will look similar. Since the school budget weighs so heavily on our property taxes, it only makes sense to ask every property taxpayer his or her opinion.

Therefore, we have decided to mail a ballot out to every active voter in the town to give them the opportunity to voice his or her thoughts.

The election will take place on Tuesday April 30 and be held at the same polling locations as usual in the town. Members of the Board of Civil Authority will be present at Town Hall as well as at Rutland Town School to give voters the option to vote on this matter in person.

Questions about the school budget should be directed to the members of the School Board and questions about the specifics of the election process should be directed to staff at Town Hall.

While you are out voting stop by Town Hall and register those dogs! Licensing is due by April 1st. Any dog registered after that requires us to charge a fee.

Happy Voting and Happy Licensing!

RTS Update continued from pg. 1

We had 12 middle school artists represent Rutland Town School in the Chaffee Art Center's Annual Student Show this year! A big thank you goes out to our artists for their hard work, creativity, and participation: 8th grader Bella Adamaitis; 7th grader Rory Moran; 6th graders Lilly Cassineri, Isabella Classen, Anna Cooley, Aaliyah Holmberg, Lacy Page, and Katherine Sadowski; and 5th graders Ryan Caputo, Logan Fredette, Ganika Harchind, and Finn Poole. Thank you as well to our amazing art teacher, Ms. Hogan! Boys and Girls Club, Unit Director, Zach Belden started Power Hour club this month, which is designed to help with academic success and organization. Mrs. Cornell, Mrs. Neary, Hayley Zilski (5th), Violet Poli (4th) and Izzy Classen (6th) are headed to Montpelier on March 28th for the State Spelling Bee Competition! Good luck to our spellers!

We had a successful basketball season and are gearing up for our middle school spring sports: lacrosse, baseball, and softball. And we would like to congratulate our middle school rock climbing team that placed first in the State Championship!

In preparation for the eclipse on April 8th, Mrs. McDougall's 7th graders are offering hands-on stations for our elementary students to help them understand what the eclipse is and why it is occurring. All students will have solar eclipse glasses, which the school received thanks to Mrs. McDougall and a grant she received.

Several of our middle school students, Finn Fuller (8th), Chris Watson (8th), Kelsey Hayden (8th), Savanna Shelton (8th), Sophie Hammond (7th), Hunter Pew (7th), Wren Dayton (7th), trained for data analysis back in the fall with Mrs. Manovill, guidance counselor, and Mr. Lamarre, assistant principal. Students led a team of 6th-8th graders on a data analysis retreat on March 8th. The students analyzed the 2021 Youth Risk Behavior Survey results (YRBS) while thinking about an action step they could take in response at RTS. They then hosted a community dialogue night on March 12th, inviting families and community members to contribute their thoughts. The team of students will be meeting regularly to decide on and plan for their action step. We are so proud of our student leaders!

RTS Green Team, which includes 3rd and 4th-grade students, worked with assistant principal Mr. Lamarre and GRCSU website and communications coordinator Shannon Moriarity to create their second podcast.

NEWS FROM THE REC

From Director Michael Rowe

Well it was a great basketball season and now we are moving into spring, which means baseball. I would like to thank the coaches for all their help during the long winter season to make basketball a great experience for our kiddos.

Here is what the spring will look like:

T-ball (Pre-K and K) starts the first week of May. **Mighty Mites** (1st and 2nd grade) starts the last week in April. You may sign up anytime on line at www.rutlandtown.com under Recreation.

The **Minors** (3rd and 4th grade) and **Majors** (5th and 6th grade) baseball programs will start the first week of April so sign up soon. March 29 is the last day to sign up for Majors and Minors programs.

Quick reminder: Northwood Park is always open during the daytime, please remember to leash your dog and please use the waste containers for their waste. Also please keep off the playing fields with your animals. If you have any questions please feel free to contact me at

Our musicians are hard at work practicing for the Loyalty Day parade, concerts, and the Memorial Day ceremony in May. Our 8th graders are getting ready for their week-long field trip to Washington, D.C., this May (paid by families and fundraisers). Teachers and students are also preparing for the new state test, Vermont Comprehensive Assessment Program (VTCAP), that has replaced the SBAC. This computer-based assessment will assess our state standards for ELA, math, and science.

RTS is hiring. We are currently looking to hire a paraeducator, and a special education teacher. We are always looking for substitute teachers and nurse substitutes. If you are interested in being a substitute, please contact Cindy Ondria, at cindy.ondria@grcsu.org, (802) 775-0566 ext. 2126.

Upcoming dates: **RTS Jazz Bistro**, RTS gym on Friday, April 26, 6-8 pm. **Middle School concert**, RTS gym, Thursday, May 23, 6 pm. **Memorial Day ceremony**, RTS gym, Friday, May 24, 9-10 am. **Kindergarten-4th grade concert**, RTS gym, Wednesday, May 29, 6 pm. Our school drama club has been practicing for the play, **The Jungle Book**. Shows will be on Friday, June 7 and Saturday, June 8, 6-8 pm. in the RTS gym.

Thank you again for supporting our amazing school!

Rutland Free Library

From Randal Smathers, Director

Thanks from Rutland Free Library

Thanks to the voters of Rutland Town for your continued and generous support of Rutland Free Library on Town Meeting Day.

Free eclipse glasses

Yes! Rutland Free Library will be handing out free glasses to view the April 8 solar eclipse. At this point, we're not 100 percent sure of the how or when, so please watch our website and social media for more information.

You may have heard the state Department of Tourism announcement that libraries would be issuing free solar eclipse glasses. Unfortunately, they grossly underestimated demand, and libraries including RFL were left scrambling to meet the promises made by the Tourism folks. Thanks to Tom Estill for pointing us toward a grant from Solar Eclipse Activities for Libraries and to the Nella Grimm Fox Fund for providing us with programming support, we came up with 1,000 pairs.

Tom, who is an official NASA ambassador among many other titles, will be presenting a talk on the eclipse in Depot Park as it happens on the afternoon of April 8, and the library will be streaming the NASA feed in the Fox Room in case of cloudy weather.

Tax forms

In another case of the library picking up what the state drops, yes we have tax forms available at the help desk. The IRS only sent a few dozen copies of the standard 1040; plenty to date for seniors and in Spanish, and a good supply of books. They no longer send out any schedules or other forms.

The state has not sent out forms for several years. We can generally help you get to the forms you need. Please be patient, as we do not get any training from Vermont Department of Taxes, so we're working through their website, same as you.

RFL will print any forms, state or federal, for 25 cents a page to cover printing costs. To get forms for free, get assistance filling them out, or get contact info for either tax department, please see the slide on the front page of our website at www.rutlandfree.org.

Highway Happenings

By Road Commissioner Dave Sears

I have to say Mother Nature has been very good to us this season. We are by no means out of the woods but spring is definitely around the corner.

I would like to thank all of the town residents that voted to approve the municipal budget on Town Meeting Day. The Department Heads of this town worked very hard to submit fiscally responsible budgets that provide the services the Town has come to expect.

We have responded to 29 winter events at this point in the winter season. Our Highway Crew and Contracted Road Crew have done very well this season. Everyone has worked together and I am proud of the work done this winter.

As we draw near to spring, we have begun planning the summer workload. We have around two miles of paving planned for the spring and summer. I have applied for a paving grant from the State of Vermont. If we receive the grant we will add another half of a mile of paving. Fingers crossed!

The Post Road sidewalk is slated to be finished this spring or early summer.

The Highway crew conducted a thorough inspection of all the culverts in town last fall/early winter. We have many culverts to clean and several that need to be replaced. There is more maintenance than can be completed in a year so this will be an ongoing project.

A quick reminder that Green Up Day is Saturday May 4. We will have Green Up bags available at the town's Transfer Station as soon as we get them.

If you have Green Up bags that need to be picked up, please let us know where they are so we can get them in a timely manner. Please call (802)-773-8128 or email rthighway@rutlandtown.com.

Lastly, the Highway Department would like to wish a sad goodbye to our Tree Warden Fred Nicholson. Fred was one of a kind and he will surely be missed by this crew.

Be Safe!

Never miss an issue!

School Board continued from pg. 1

Most of our meetings are also recorded by PegTV.

Additionally, we learned that some people voted down the budget out of principle as a way to tell Montpelier that they are not happy with the new pupil-weighting formula or other mandates and their effect on property taxes. We agree with you, however, if we do not pass a budget by July, we will be forced by the state to use 87% of this year's budget, which would potentially translate to losing bus transportation, athletics, and maybe even some grades from the school. We cannot let that happen! The RTS Board wants you to know that the budget we presented had very little added by the board. One item was funding for their overnight 7th grade trip and another was bringing back Lifetime Sports. We wanted to make sure these programs were accessible to all families, and taking these out will affect the tax rate less than a penny.

In a March 20, 2024 article and news segment featured on WCAX, students at Rutland Town School demonstrated learning to make an impact with hands-only CPR. Here are some highlights from the article:

“Talking to some of the students just now they said, ‘You know, I hope I never have to do this. But if I do, at least I know the first step in saving somebody’s life,’” said Rutland Town School Principal Sarah Tetzlaff.

“If anything, it brought them awareness on to do -- at least to pick up the phone and call somebody or to attempt. 40% of people don’t know anything about CPR, and now we just educated two grade levels to at least be able to attempt and take that first step to maybe help save someone’s life,” said Michael Rowe, a Rutland Town PE and health teacher.

“I think eventually we would love to have all our middle school kids fully trained in CPR and first aid and this is just one step to getting them there,” Tetzlaff said.

Lastly, we added a second kindergarten para-educator to support our students’ learning. The other increases in the budget were contractual or inflationary, no frills at all. We hope the revised budget that we present to you in April will be approved so that we do not need to make painful cuts and can continue to make Rutland Town School the gem that it is. Please vote! Any questions, comments, or concerns, feel free to email me at Tina.keshava@grcsu.org

MUSIC at RTS

RTS Jazz Band Goes to UVM

By Aaron Audet,
Music Teacher

A lot of music is going on at Rutland Town School. Just recently the Jazz Band went to UVM to perform for the VT Jazz Educators Association. It was a great experience for the RTS students. We received a lot of praise for their performance. Also on March 19 the RTS Jazz Band shared the stage with Rutland HS Jazz Band.

Please check out the Spring schedule and consider attending our performances. The Jazz Bistro is a fundraiser for our Friends of Music. It will feature 5/6 Jazz band, 7/8 Jazz band and the RTS Alumni Jazz Band.

RTS students at the

VMEA 4th & 5th Grade Choir Festival

By Marc Whitman
Music Teacher

Fifteen RTS students, pictured below, performed at the Vermont Music Educators' Association 4th & 5th Grade Choir Festival at Champlain Valley Union High School on Friday, March 22.

The RTS students performed with about 200 other students from schools around the state under the direction of Andy Himelick, a music teacher and conductor from Indiana. The choir performed 8 songs newly arranged by Mr. Himelick.

Spring Schedule:

- April 9, 5-6 pm RTS Jazz Band Rutland Chamber of Commerce Mixer in the College of St Joseph Gym Lobby
- April 26, 6-8 pm RTS Jazz Bistro Fundraiser featuring 5/6 Jazz Band, 7/8 Jazz Band and RTS Alumni Jazz Band in the RTS Gym. \$8 a person \$25 per family

- May 5, 2 pm Loyalty Day Parade in Rutland featuring RTS Marching Band
- May 23, 6-8 pm Spring Concert - all RTS Bands and Chorus performing
- May 24, 9 am RTS Band performing at the Memorial Day Ceremony
- May 29, K-4 Concert with the 4th Grade band performance in the RTS Gym

ATTENTION, HIGH SCHOOL SENIORS (and parents)!

The Rutland Town Select Board is now receiving scholarship applications from graduating high school students who wish to pursue higher education. Applicants must have resided in town for at least two years prior to the date of graduation. Awards will be based on scholastic achievement, family and community service, leadership, extra-curricular activities, and financial need. Applications are available on the town's website.

Completed applications must be received in the Rutland Town Office, 181 Business Route 4, Center Rutland, Vermont by noon on Friday, April 26.

These scholarships are funded by a special appropriation of \$15,000 approved by Rutland Town voters at Town Meeting.

Wonderfeet Museum

By Danielle Monroe,
Executive Director

Wonderfeet has a spring packed with fun and learning! We're kicking off April with a day of Big Top Adventures as renowned circus performer Troy Wunderle brings a night of family entertainment to The Paramount Theatre on Saturday, April 6. Tickets are just \$15, so bring the whole family! Tickets are available at The Paramount box office and paramountvt.org; all proceeds benefit Wonderfeet Kids' Museum. Troy will also be offering a two-hour workshop for kids to learn some amazing circus skills and then join Troy onstage that evening to perform at The Paramount. Sessions are offered for kids 6-9 years old to learn clowning and improv skills and kids 10+ to learn juggling, plate spinning and other hand-eye coordination skills. Workshop spaces are limited so sign up soon! All workshop participants will be able to perform in the evening show at The Paramount. Find out all of the details and register at www.wonderfeetkidsmuseum.org/events

Monday, April 8, Wonderfeet is teaming up with Rutland Free Library and Tom Estil for an Eclipse Viewing Party! Then on Thursday, April 18, Starbase Vermont will be at Wonderfeet from 10-2 for a day of science! There will be drop-in activities all morning, as well as hands-on chemistry labs upstairs. You must register for the Chemistry sessions: <https://www.signupgenius.com>. Also during school break week, join Rutland County 4-H for an exploration of moon phases on Tuesday, April 16. We'll have space-related crafts and activities all month.

Wonderfeet will be closed April 29 - May 10 while we ready the museum with two new exhibits!. Everyone is invited to join us on Saturday, May 11 from 10-2 for our Grand Opening and Birthday Celebration on Merchants Row in Downtown Rutland. We'll be celebrating with bounce houses, face painting, snow cones & cotton candy, street performers, music & magic. The official dedication and ribbon-cutting will take place at 12:00. This is a free event, but food trucks will be on-hand, as well as the opening weekend of the outdoor Rutland County Farmer's Market.

Town residents are welcome to contact any Select Board member on any matter, but sometimes it is more efficient to direct inquiries to the committee involved.

Questions and comments are always welcome, and can be sent to the Select Board at <https://www.rutlandtown.com/contact-rutland-town/#email>. You can also call our Town Administrator Bill Sweet at 802-773-2528, extension 106.

There are openings for some position in town government. The Select Board will be making appointments to fill these over the next several meetings. If you are interested in serving your town, check out the openings on the town's website at <https://www.rutlandtown.com/>. We could use your help.

The Rutland Town School Budget will be revoted soon at a special election. Please read articles elsewhere in this edition of the Circle to inform your vote on this important issue.

Sadly, one of our long-time ballot clerks won't be around to help us at this upcoming special election. Fred Nicholson died on March 8, just three days after completing a 12-plus-hour shift running the Town Meeting election.

Fred served our town for many years in many capacities - as Justice of the Peace, ballot clerk, tree warden, Town Planning Commission member, inspector of wood, and delegate to the Rutland Regional Planning Commission. Fred, sporting a thought-provoking t-shirt and clicking his favorite pen, sat through many Select Board meetings to keep us on track and on our toes. We'll miss you, Fred. Thanks so much for all you have done for our town.

FROM THE RUTLAND TOWN DELINQUENT TAX COLLECTOR

By Donald J. Chioffi

As folks may have noticed, this year saw an increase in delinquencies, not outrageous but an upward jump from previous years. As your CODT, I have worked with many taxpayers to assist in getting them current and back on track.

This is only a personal observation, but the pressure of increased costs seems to be affecting more and more of the working class and retirees in our town and I am concerned that if we, as a town, do not carefully address this growing budget spiral which seems to assume that we all can afford taxes rising every year, including this one, we will surely, over time, cease to be the very affordable town to live and prosper within.

Since I have been elected to deal with tax delinquencies I have decided on a particular strategy to try and deal with this dilemma. Along with a few fellow citizens we are beginning the formation of an organized group of concerned taxpayers into an association to be formally recognized by our government leaders. In this regard, if any of you are interested in contributing to these efforts, please contact either me through my town e-mail at dchioffi@rutlandtown.com or by phone at 802-236-2037 or Jim Hall at jimhall1940@gmail.com or by phone at 802-773-5913. Our goal is to be proactive in continuing to make Rutland Town an affordable place to live and work.

As you are well aware, our recent School Budget and Bond was voted down by a margin of 578 YES - 609 NO on the budget and 500 YES - 687 NO on the bond. When we revoted on the additional money for the Public Service Building, we felt that the large total dollars we were asking the voters to approve was significant enough that everyone should have an opportunity to vote, thus we mailed every voter a ballot. The town thought that having the largest majority of taxpayers weighing in on such an amount would give us good direction on how to proceed. In order for this to occur, it was apparent to us that we should mail ballots to every taxpayer in the town, and so we did.

The School budget and Bond that was voted down was \$14,694,628, an amount that is three times the amount of the Public Service Building and amounts to over 85% of your total tax obligation. Surely we would want the greatest number of citizens deciding such a large amount of tax dollars.

At such time as the Board decides on a revised budget proposal, we certainly should use the same procedure as we did for the Safety building and mail the ballots to every taxpayer. That would certainly give our board clear guidance from the majority of our citizens.
